

Spiky Necklace by Akke jonkhof

Materials:

baby spikes

spikes

delica, s size 8

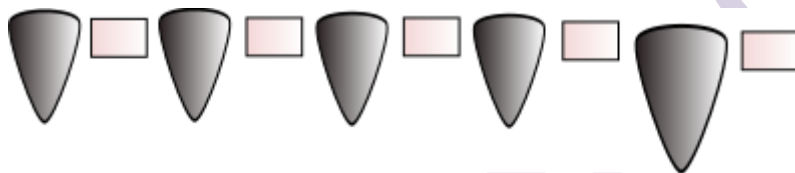

drops size 3.4 mm

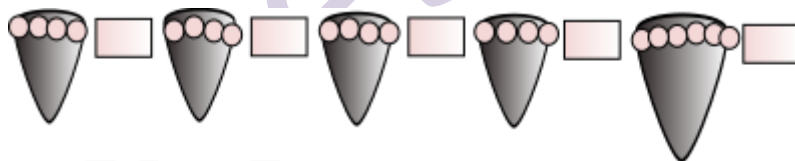

seed beads size 11

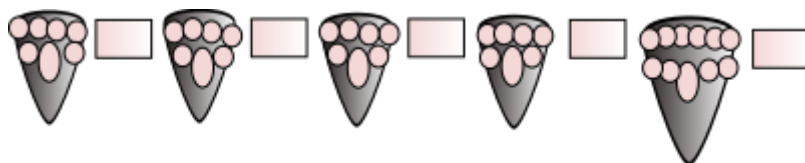

Acculon beading wire and stringing thread.

Put a clasp at one end of your acculon wire with a crimp tube. String alternating a delica and a baby spike (24x) then 5 or 7 spikes instead of a baby spike. Then 24 baby spike again. Start and end with a delica. End your wire on the size of your necklace.

String on top of every baby spike (in between every delica) 4 seed beads with stringing thread. On top of the spike you string 6 seed beads

Next tour is an seed bead and an drop and an seed bead in between every delica. On top of the spike you string 2 seed beads a drop and again 2 seed beads. Finish your tread.
